

Make It So Studios Releases Triv-ology™ First-to-Buzz Games

March 10, 2015 – Fredericton, NB – Make It So Studios is releasing two “first-to-buzz” quiz show games on game micro-consoles and smart TVs: Triv-ology™ First-to-BUZZ containing general trivia and Sports Triv-ology™ containing American professional sports trivia. The games are designed for local multiplayer couch play, supporting up to 9 players using several input methods: remote, gamepad, keyboard, and phones or tablets using a downloadable gamepad app. The gamepad app requires a reliable Wi-Fi connection with the console running the game.
